

Cup Match Wednesday 12th October 2016

Dovedale vs St Anthony of Padua

The first game of the season for year 5 was a challenging cup game and the result was 4-2 to Dovedale. A rainy afternoon gave an already difficult game another edge to it. Taha, nominated himself as goalkeeper and had a very good game. He also made an outstanding save while the game was 3-2 pushing the ball over for a corner kick.

St Anthony of Padua came forward with pressure that our children dealt with extremely well and attacked just as strongly. With that said a special mention must be made to George who had an outstanding game, Mr Kirkwood wouldn't have liked to be defending him. Oliver gave a brilliant performance in the game and although he probably would disagree, due to not scoring. However he was the core of our midfield and held us together. Jack came on after being on the substitutes list and made it difficult for Mr McLaren to substitute again because he was doing a great job. The fixture could not have been won without the passion and team work, well done everyone and moving on to the next game now.

Further details to follow. The team: Taha (GK), George (1), Luaie (2), Sam (1) Dovedale Primary
