## Happy New Year from all of us in Year 5

We hope you enjoyed the break and have come back feeling refreshed. We have lots to look forward this term including: swimming, Bikeability (cycle training), Safer Internet day, all culminating in our very own Spring production.

### Supporting your child at home

In Year 5, we plan to set homework in line with the lessons taught that week. This gives you the opportunity to understand about what your child has been learning. Children will have homework in maths, times tables, spellings, reading and grammar and punctuation.

Please refer to our homework guidance on the Year 5 page of the school website.

Please listen to your child read 3 times a week and sign their reading record.

Reading books and records should be brought into school every day.

Don't forget to complete activities on Mathletics, earning your certificates.
