

Dovedale Primary School

Year 3

Looking back over the Spring Term

What a fantastic and busy term we have had in Year 3.

The children have enjoyed a D.T Bread Week, a movement in photography workshop, making their Maths Creative Challenges and World Book Day.

Thank you to all the children for working so hard this term and to the parents for supporting us and your children in Year 3.

What's happening in the Summer Term

Maths— Children will further consolidate their understanding of number, place value and using the four operations. In addition, children will also focus on time, shape and measurement.

Reading— We must ask all parents to read with their children three times per week and put a comment in their reading record.

Writing— We continue to work towards a Friday writing task each week. All children have their own targets and know what they need to focus on in order to achieve the writing standard. In one English/History unit, we will be writing a diary entry from the perspective of an Egyptian slave.

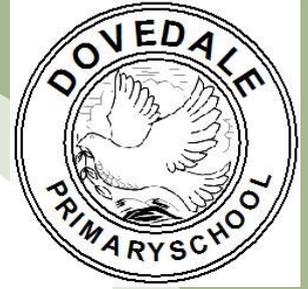

Science— Our science topic for the Summer Term in Animals including Humans. Pupils will learn the key vocabulary linked to the topics and plan investigations, make scientific predictions and write explanations based on their findings.

History— Ancient Egypt

We will be starting our new history topic of Ancient Egypt where children will find out all about life in Ancient Egypt and what it was like to live during this time. Children will discover the different kinds of clothes they wore and food they ate.

Geography— This term we will be looking at different climates around the world and the effects of these climates.

Art—We will be focusing on drawing, patterns and colour. We will be focusing on the work of artist Paul Klee.

Our topic this term

Walk like an Egyptian

School website/Twitter

We like to share all the amazing and fantastic moments of our school day on Twitter. Follow us at @DovedaleY3.

The Y3 page on the school website will be updated with information about Y3. Keep an eye on this for any

Curriculum Enrichment Days

To ensure we promote a love of learning for all subjects across the curriculum, we are going to have a History day, Science day and a visit to Delamere Forest.

PE/Clothing

PE will take place every Thursday and kit must be school colours (not football kits).
